

# Celebrating BC Communities Taking Action on Energy

## Applicants for the 2017 Climate & Energy Action Awards

The Community Energy Association, Union of BC Municipalities, BC Hydro, FortisBC, Province of BC, and Real Estate Foundation of BC are pleased to present the 15 outstanding applications for the 2017 Climate & Energy Action Awards.

These communities have shown strong leadership in energy planning and implementation. Projects focus on waste management, electric vehicles, active transportation, green financing, renewable energy, energy efficient buildings, energy conservation, and climate change plans.

**Winners will be announced at the Union of BC Municipalities Convention in Vancouver on September 27 at 4:00 PM.**

### Corporate Operations Category

|                             |   |
|-----------------------------|---|
| Capital Regional District   | Corporate Climate Action Strategy: A Climate Lens for Decision Making                               |
| City of Chilliwack          | Reducing GHG Emissions through Improvements to Curbside Collection Program                          |
