

Celebrating BC Communities Taking Action on Energy!

Applicants for the 2012 Climate & Energy Action Awards

The Community Energy Association, Union of BC Municipalities, BC Hydro, FortisBC, B.C. Ministry of Environment – Climate Action Secretariat and Ministry of Community, Sport and Cultural Development are pleased to present the 8 outstanding applications for the 2013 Climate & Energy Action Awards.

Each of these communities has shown strong leadership in energy planning, energy efficiency and the use of renewable energy. This year's applicants have made a significant difference with limited resources, inspired community members to take action, made innovative use of traditional planning tools, worked collaboratively with Provincial public sector organizations and substantially transformed their communities.

Winners in each category will be announced at the 2013 Union of BC Municipalities Convention in Vancouver, immediately after the Cabinet Panel sessions on Wednesday, September 18, at 4:15 PM.
