

# Celebrating BC Communities Taking Action on Energy!

## Applicants for the 2014 Climate & Energy Action Awards

The Community Energy Association, Union of BC Municipalities, BC Hydro, FortisBC, and Province of BC are pleased to present the 15 outstanding applications for the 2014 Climate & Energy Action Awards.

These communities have shown strong leadership in energy planning and plan implementation and the use of renewable and district energy. Projects include development of electric vehicle charging infrastructure, behaviour change, community outreach and the creation of development incentives.

**Winners in each category will be announced at the 2014 Union of BC Municipalities Convention in Whistler, on Wednesday, September 24 at 4:15 PM.**
